The Home of the Dahlia for Over Forty Years

W. C. Noonan, Prop.
TIPPERARY

We wish to advise our many friends and customers that owing to the wide-spread demand and limited stock we are compelled to retain the above prize rewarded Dahlia off the market until 1928. At which time we expect to have sufficient stock to supply same at a price available to all.

When entered for trial last season at Dahlia Trial Grounds, University of Maryland Experiment Station, TIPPERARY was considered by all visitors and judges the best Dahlia in the garden—SAYS—"Bulletin of the A.D.S."

Having been experimented on also at Dahlia Trial Grounds, Storrs, Conn., it has been allotted the top-most scores of any Dahlia entered there. It is certified both as a commercial and exhibition variety.

This admirable novelty is composed of Rose Color with golden tones shining through. Its bush is elevated and substantial. The immense blooms are produced on long stiff stems a suitable distance over a dark green foliage. This Dahlia requires to be seen under cultivation so as to impress its indescribable beauty and perfect formation.

A visit to our fields during the coming flowering season will convince.
Certificate awarded on behalf of

"Tipperary"
GENERAL INFORMATION

Order Early: Your orders filled in rotation. Early ordering assures you the varieties you wish.

Time of Shipment Unless you give a specific shipping date, your order will go forward at the proper time to plant in your locality.

Packing: There is no extra charge for packing. All are securely and carefully packed by me personally, so that you are assured of good tubers, and of their arrival in good condition.

Substitution: The varieties you select are always shipped unless you grant me permission to substitute. If you wish me to use my best judgment, mention it, and I will include a better variety of the same color, if possible.

Guarantee: We guarantee all tubers and plants sent out to be in growing condition and true to name.

Errors: I assure you I strive to handle my orders carefully without errors, but should errors occur, they will be properly and carefully adjusted as I want all my customers to receive what they order.

Prices: Are for field-grown divided tubers, as specified.

Remittances: May be by Check, Post Office Money Order, or Registered Letter. Less than one dollar may be sent in stamps.

Terms: Cash with orders, or in advance of shipment.
